Skills

React, Redux, SQL(NoSql), Postgresql, JavaScript, Tailwind, Bootstrap, Material UI, Python, Django, Django Rest Framework, Git, CI/CD, HTML, CSS, Docker, Firebase.

Projects

Moviehub (Netflix clone) Github | Live Link
- My largest app yet. A massive movie streaming app never before seen that uses the TMDB API to fetch live
- Real time movies and tv shows. And it uses Alan AI to give the website life, ask Alan "what is this site?"
- Created a movie search service that provided deep details about movies, actors, inside details, and a fully
- Functional account system where users can log in and favorite movies and stay logged in too!
- Followed material UI design patterns using Typescript Tailwinds and React, with React Router and Redux for state management
- Integrated Alan AI to increase site accessibility, 100% Best Practices score on Google Lighthouse
- Used 80% code coverage with unit, integration, and e2e tests which needed to pass to merge new code
- Enforced code style standardization with ESLint and Github PR gates

Experience

Self | Software Developer | December 2021 - Present - Remote
- Built and designed landing pages that can used for a Travel Agency, Photography Portfolio
- Created accessible, responsive and functional user interfaces to allow visitors on any device to have the same perfect user experience
- Built a social app front to back which is a mock app for Twitter
- Created an interactive fun game called Tenzies with JavaScript, React and added sound effects to enhance user's experience
- Created a Crypto Monitor site using coingecko api

Certifications

HarvardX CS50's Introduction to Computer Science - January 2022 Certificate
- Used (**C**) to have a better understanding on how code works under the hood so I can start learning (**Python**) with **Flask**

HarvardX CS50's Web Programming with Python and JavaScript - March 2022 Certificate

- Used more (**Python**) this time with (**Django**) and got introduced to (**JavaScript, React**) and built a social app

Education

Left highschool right before graduating (2011)
